

Step Into Digital

This course is suitable for beginner students in IT and students who would like to build confidence and skills in using digital devices such as a mobile phone, tablet or laptop.

You will learn digital skills to use in everyday life including accessing online services and learning, basic searching on the internet, e-safety, entering text, using apps, using email and communicating online.

You will also gain knowledge on Zoom and Canvas, our virtual learning environment.

As the UK's largest training provider, WEA want to support you to gain the digital skills needed for everyday life.

At: St John's Centre,
St John's Road,
Old Trafford M16 7GX

Initial Assessment:
Wednesday 21st September at 12.30pm

Course:
12.30-3pm every Monday and Wednesday
for 5 weeks

FREE If you are unemployed or in receipt of certain income related benefits

What do I already need to have?
No previous experience or equipment necessary

Qualification: Non-accredited – you will receive a certificate of achievement on completion
